FINISHING SCHOOL

**WAVE FAREWELL TO THE
OLD PERSONA OF YOURS.**

As our name implies, Unique Mentors is a unique venture formed by two visionary women, Deepa Seria Babu and Dr. Praveena Prathapachandran, who identified the difficulties that medical professionals encounter in seeking a career abroad and solved it by offering expert training sessions for licencing examinations, as well as assisting them with dataflow and exam registrations.

With over 10 years of experience in transforming careers through medical licensure exam training, we are now bringing our expertise to shape the leaders and innovators of tomorrow.

OUR MISSION THE FINISHING SCHOOL

The new professional world demands more than technical skills; it requires confidence, communication, adaptability, and many more soft skills. Unique Mentors Finishing School, our new initiative, is one of its kind in Kerala. We focus on moulding students, teenagers, and professionals to adapt to a global workspace.

From career readiness and workplace etiquette to global career preparation and personal branding, our courses are designed to polish the professional image, boost confidence, and prepare them to become successful in all aspects of a globalized world.

Whether you are a school student, graduate or a professional, our program covers everything from the finer points of dinner table etiquette to the art of leadership development, from time management to increased productivity, from conflict resolution and negotiation, to personal financial management, all taught from a global perspective with a focus on 360-degree personal development.

At Unique Mentors Finishing School, our mission is to empower individuals with essential life skills that foster personal and professional growth. We are committed to providing transformative education that equips students and professionals with the tools they need for success in today's competitive world. Our values of integrity, excellence, and innovation guides every program, ensuring that each participant receives the highest quality of training and mentorship.
